1. [REDACTED] during 25X1X
the early part of May 1954 [REDACTED] an agreement had 25X1X
been concluded between the Tito government and the Budapest Communist govern-
ment in connection with future political refugees. Tito has acceded to the
Budapest government's demand that he no longer grant asylum to Hungarians who
flee to Yugoslavia and has undertaken to hand over all political refugees who
henceforth cross the Hungarian - Yugoslav border illegally. There have been
cases in which Hungarian Danube sailors have gone to Yugoslavia as political
refugees and have been accepted as such, but at present they are afraid of
being turned over to the AVO."
